2nd October 2008

Dear Ms Wilden
Ref. Flat J, 7/9 Cadogan Square SW1X 0HT

I met your colleague Mr Butler yesterday with a view to taking advice on whether a planning application was necessary for the new proposed soil pipe included in the listed building consent recently received. He agreed to bring this to your attention and discuss the matter further in order for you to have a view on this.

I trust you will now be able to advise me on this and look forward to your confirmation as to if this is necessary or not.

Yours faithfully

R J Walker
