Additional Information:

I have been working as an Ofsted registered childminder for over 3 years. Before that I worked in the Royal Free Staff Day Nursery for a year, but I felt as though childminding would allow me to offer a more personal childcare service. I have been working at a childminding setting in Notting Hill but have recently moved and am starting up my business in Earls Court.

The qualifications I hold are: CACHE - Introducing Childminding Practice, First Aid, BTEC National certificate in Early Years and I have done part of a psychology degree. I have looked after children ranging from 2 months to 10 years and feel I have much experience in childcare for all different ages. I have a child of my own who is just over 1.

I aim to offer a warm, friendly, safe environment where the children can enjoy their days, make friends and progress in all aspects of their child development. I use local facilities such as play groups and local parks and also take the children on trips to places such as Gambados, Bramleys etc

I have many facilities at home such as musical play, role-play, cookery toys, books and toys to encourage equality and diversity and many more. I also do a circle time at the end of each day on a different topic i.e, weathers, healthy eating.

I have sleeping facilities for all ages. I have a highchair, walker, babychair, activity mat etc. I can provide food the children throughout the day. I tend to do one cooked meal and one lighter meal during the day at no extra cost. I can also heat up and use food that parents bring for their child.

I cater for children of all ages. I offer full time places as well as part time and a before/after school service. On occasion I can offer unsociable hours and emergency care. Can provide references on request.

There is also a 10% discount for siblings.

Additional Information:

Patricia works as a registered childminder under the name of Taty Fun. She has a young sonson and can offer care and love with a Latin twist.

She offers plenty of activities to develop children's skills and can also speak Spanish and basic Italian. She works with small groups of children and is able to offer individula care, taking into account the particular requirements of a specific child and work in close partnership with parents. She works within the 'Early Years Foundation Stage Framework' and gives parents reports of the childrens activities. For Patricia, the best references are her clients comments.

Louisa's Mum

We were always very happy with services Patricia provided. Our daughter has been a very poor eater for the first two years of her life. With lots of patience, attention and plays - and also tasty, healthy and freshly prepared meals - Patricia made her realize that eating isn't that bad. We are especially grateful to Patricia for helping us in this regard.

20% Discouts available for second child. Please contact provider for more details as prices are dependent on hours.

Sessional Part-time care times:

Mon - Fri: 8am - 1pm and 1pm - 5pm

School Pickups:

Chelsea Open Air Nursery School, Holy Trinity Cofe Primary School, Oratory Rc Primary School, Hill House School

Additional Information:

Sylvia and her partner, Ian Bodill, have worked together as registered childminders for 14 years. Sylvia has two grown up children and over 30 years experience of childcare; in addition she and Ian continue to update their knowledge and experience by attending training and workshops. Sylvia has completed all 3 childminding certificates (ICP, DCP and ECP) and has an NVQ Level 3 in Early Years Care and Education. In addition to the formal training she has attended numerous workshops and has a current First Aid certificate.

Their home is open, warm and safe with access to private gardens that have a lovely playground. They have a large selection of toys both fun and educational and regularly visit drop-in sessions at the Chelsea Open Air Nursery. All equipment is checked regularly. They use fresh produce to prepare all meals and snacks and are able to cater for special diets following discussion and agreement with parents. They can provide specific care to children with special need
