Corporate Services Small Grant Fund Eligibility and Grant Criteria

Eligibility

- 1. For organisations based in Kensington and Chelsea which primarily benefit its residents.
- 2. For voluntary and community organisations with charitable objectives working in the Royal Borough which meet or contribute to Corporate Services grant priorities (included).
- 3. Corporate Services is unable to provide a small grant to organisations, services or projects which would ordinarily be funded by Adult Social Care or Family and Children's Services

Criteria

Normally grants can be awarded for only one of the following:

- 1. Items of equipment
- 2. To provide some of the costs for community events, outings and festivals
- 3. To produce publicity material or meet the costs of taking part in funding/information events which publicise the organisation's services;
- 4. Volunteer expenses and training for volunteers including Management Committee members;
- 5. Small scale building work that supports the sustainability of an organisation, improves access, facilitates efficient usage, improves the security of Community Centres, and other buildings;
- 6. Unexpected one-off costs that support the sustainability of an organisation which the organisation cannot meet. This does not include meeting known budgetary deficits or funding shortfalls, which will not be met.

Points to take into account when considering an application:

- The decision on awarding a small grant rests with the Council and there
 is no appeal process.
- Funding is provided on a one-off basis and is not renewable.
- 3. The maximum grant available for applications against criteria 1-4 is £1,500. Up to £7,000 is available for applications against criteria six.
- 4. Funding will not be awarded retrospectively.
- 5. Allow 4 weeks for the application to be processed.
- 6. Applications from individuals will not be considered.
- More than one grant will not normally be awarded in any financial year and organisations awarded over £1,500 cannot reapply within a two-year period.
- 8. If applying for a grant for building work the organisation must own the building or have a secure, long-term lease.
- 9. For community events please supply date and venue.
- 10. Evidence of costs is required with all applications. If building work is being undertaken there should be at least 2 quotes, preferably 3. We will consider if the costs appear to be reasonable.
- 11. Grants will not be awarded for ongoing funding; an exception may be made if the application will have an impact on the sustainability of an organisation.
- If the application form is not fully completed and the necessary supporting evidence not provided then the grant will be refused.
- 13. Grant funding will be made available in two phases during the year and applications can only be made when grant funding is available. The fund will close when each budget has been allocated.
