

Nursery and Playgroups List South

Covers the south of the Royal Borough

THE ROYAL BOROUGH OF
KENSINGTON
AND CHELSEA

The information in this list, is accurate as at time of print. Please contact the Family Information Service (FIS) on 020 7361 3302 to check if there is a more up-to-date list.

Alternatively you can contact us in the following ways;

- Access information through our website at www.rbkc.gov.uk/fis
- Text 'Family' to 60777 with your query and contact details.
- Follow us on Twitter **@rbkc_families** to find out the very latest information.

Choosing a suitable childcare provider

Most parents wonder what to look out for when they start looking for childcare. Here are some tips.

Five steps to choosing childcare:

1. Draw up a shortlist using information from the Family Information Service - check the following in particular
 - hours that childcare is provided for
 - the hourly/daily/weekly cost
 - Are there places available for your child (you might need to ring them)
2. Visit several settings and ask questions about the childcare provided (some questions are below).
3. Make the big decision - it might help to take a friend and/or your child on the visits to help you decide.
4. Take up references from other parents who have used that service.
5. Book your child's place (you may need to pay a retainer fee to keep the place open) and arrange details like hours, start date and who is allowed to pick up your child.

Visiting childcare settings - what to look for:

- A big welcome for you and your child.
- Trained and experienced staff, ready to learn and respond to your child's individual needs.
- Busy, but relaxed, children who seem happy and purposeful.
- Safe and clean premises - welcoming and friendly with outside play space.
- Cultural sensitivity and responsiveness to children's home life.
- A staff team and group of children who reflect local ethnic and cultural groups.
- Fun activities planned each day - childminders, nurseries and out-of-school clubs all need to plan their days with children's interests and enthusiasms in mind. Exercise and quiet times to relax are important.

Visiting childcare settings - what to ask:

- How many children do you care for?
- What is the ratio of staff to children?
- What qualifications and/or experience do the staff have?
- What curriculum do teach?
- Do you operate a key worker scheme (whereby one member of staff has main responsibility for your child)?
- How will you keep me informed of my child's progress and news from your setting?
- What are your policies on discipline and how do you manage children's behaviour?
- Do you provide meals, snacks, nappies etc or will I need to provide them?
- Where will my child sleep or rest?
- What are your procedures if there is any emergency involving my child?
- Can I see a copy of your registration certificates and inspection reports?

Take up references

We advise that you take up at least two references. Childcare providers should be happy to give you names of other parents to speak to about the service they provide.

Children's views

It is important that you try and get the opinions of your child. Below are just a small set of examples but will give you an idea of the types of questions that you should ask.

- Is your child part of a group of friends?
- Does your child like being there?
- Are mealtimes relaxed and fun? Do children help themselves to drinks and snacks?
- Do they like the facilities, indoors and out doors? Ask your child what they enjoy and what else might they like.
- Do your children have a positive relationship with staff? Check that the staff are able to respond to individual children's needs, to comfort and encourage them and to keep them safe.

Additional Information:

Children in the nursery learn social skills, pre-reading skills, early mathematical skills, basic artistic skills, body control skills and a greater knowledge about the world around them. Children learn through play, self-discovery and through more formal settings in small or larger groups.

All parents and carers of children looking for a nursery place meet with the Headteacher prior to taking up a place. At this meeting the Headteacher outlines the school's expectations regarding the school nursery. We expect the same standards of punctuality and attendance in the nursery as we do for the main school.

When children first start in the nursery it is common for them to feel anxious about saying goodbye to parents. For this reason we encourage parents to bring children to the nursery before they start and subsequently to be willing to stay in the nursery for a short period of time at the start of their child's time there until the child settles. For reasons of security, nursery children must be brought and collected by an adult. The school must be informed if anyone else is to collect them.

Additional Information:

Welcome to Eaton House The Vale. I am delighted to offer you a glimpse of our world in the following pages.

We are a nurturing school, providing Nursery education for boys and girls from age 3 to 4, and pre prep education for boys and girls up to 8 years and 11 years old respectively. We provide a broad range of activities and subjects, academic and non-academic. Our ethos allows children to flourish socially and academically.

Excellent teaching and superb pastoral care and a warm environment inspire our pupils to have a lifelong love of learning, whilst instilling critical thinking skills and a sense of wonder, fun and enjoyment. Although it is important to keep the goals of 8+ and 11+ in mind, we offer an education which reaches far beyond these examination requirements.

We encourage pupils to take responsibility for, and pride in, their work. The whole school community works as a team, and children feel secure and cared-for within their surroundings. We believe that an open-door policy is fundamental, and pupils and parents alike are comfortable talking to any member of staff.

We aim to use the incredible vibrancy that central London offers, and our situation so near to major museums, galleries and events is ideal. Residential trips, both at home and abroad, help to offer a broader experience. Ours is a happy and hard-working school. My team and I look forward to meeting you in person, when you will see this for yourself.
