

APPLICATION FORM FOR SUSPENDING PARKING BAYS

1. We suspend parking places so that necessary work can be carried out by the public utilities (gas, water and electricity companies), and so that private companies and individuals may carry out certain work and services.
2. A suspension fee applies for each chargeable day, per space required. The fee is £44 for 1 to 5 chargeable days; £66 for 6 to 42 days; £88 from day 43 or more. For example, if you want three spaces for two days calculate 3 spaces x £44 = £132 x 2 days. Each space is about 16 feet (or 5 metres) long. This fee must be paid when you apply for a suspension.
3. The Royal Borough of Kensington provide the parking suspension service in accordance with statutory powers and duties and reasonable care will be taken in processing applications. However, no liability is accepted for any financial loss (whether direct or consequential) that may arise as a result of accepting an application. This fee covers our costs to provide the suspension service, but does not include the cost to enforce the suspension. Even if you have booked a suspension, it does not mean you can use one of our parking attendants or removal crews.
4. If the suspension is within a controlled parking zone where resident parking bay controls apply from 8.30am to 10pm Monday to Friday, the suspension will start at 8.30am and finish at 6.30pm Monday to Friday. If the suspension is within a controlled parking zone where resident parking bay controls apply from 8.30am to 1.30pm on Saturdays, the suspension will start at 8.30am and finish at 1.30pm on Saturdays. If the suspension is within a controlled parking zone where resident parking bay controls apply from 1pm to 5pm on Sundays, the suspension will start at 1pm and finish at 5pm on Sundays.
5. We need 5 full notification days to suspend a resident, diplomatic, numbered disabled bay, car club or doctors' parking bay. We need 2 full notification days to suspend a pay and display or a blue-badge disabled parking bay. (Where chargeable days are not booked as cumulative, seven consecutive days are required between the end of an application and the start of a new one for the same location and by same applicant.)
6. Cancellation requests must be received in writing. Requests received before 3pm will be processed for the following day. A £15 admin fee will be charged if you cancel the suspension before it starts and where the signs have already been erected. Visit our website to view the full list of fees.

We do not count bank and public holidays or Sundays as notification days, so you should take these into account when arranging a suspension. Visit our website for further suspension notice details.

You must renew a suspension before 3pm on the day prior to your suspension expiring. If your suspension expires on Sunday or Monday, we must receive your renewal and payment before 3pm on the Friday prior to expiry.
