Activity Descriptions

Health Walk - A social led walk by trained volunteers. Suitable for all, especially beginners. Improves cardiovascular fitness, balance and co-ordination.

Fitness Walk - An instructor led class incorporating stretches and power walking. Suitable for regular brisk walkers. Improves cardiovascular fitness, balance and co-ordination.

Pushy Parents - An instructor led class for mothers and young babies consisting of a power walk combined with a conditioning circuit

Orienteering - Four courses which differ in length and time. Orienteering provides the perfect opportunity to experience the beautiful wildlife in Holland Park and also helps maintain an active lifestyle. Suitable for the whole family.

'K & C On The Move' can provide you with a pedometer, activity diary, useful information about organised walks in the borough and handy tips for getting back into exercise. Packs can be purchased from Holland Park reception for £2.00 (for under 50's) or £1 (for over 50's).
