FILMING, BROADCASTING AND BLOGGING – Please note that this meeting is open to the press and public and will be broadcast via the Council's website. Additionally members of the press and public may film, tweet, blog etc. from those parts of the meeting room allocated as public seating. It is important, however, that councillors can discuss and take decisions without disruption so any activity of a manifestly disruptive nature will not be permitted. Generally the public seating areas, especially those further back, are not 'in shot', however the Council cannot guarantee that any part of the room or any seat cannot or will not be filmed and as such, by entering the meeting room, you are consenting to being filmed.

Agenda

1. APOLOGIES FOR ABSENCE

2. DECLARATIONS OF INTEREST

Any member of the Council who has a disclosable pecuniary interest in a matter to be considered at the meeting is reminded to disclose the interest to the meeting and to leave the Chamber while any discussion or vote on the matter takes place.

Members are also reminded that if they have any other significant interest in a matter to be considered at the meeting, which they feel should be declared in the public interest, such interests should be declared to the meeting. In such circumstances Members should consider whether their continued participation, in the matter relating to the interest, would be reasonable in the circumstances, particularly if the interest may give rise to a perception of a conflict of interests, or whether they should leave the Chamber while any discussion or vote on the matter takes place.

Other Declarations

Any Member of the Committee who does not have a disclosable pecuniary or other

significant interest in a planning application to be considered at the meeting but who has been involved in organising support for or objections to such a planning application, submitted representations or expressed support for or opposition to the application (either publicly or in private with the applicant or objectors) should declare this at the meeting. At the point during the meeting when that planning application is to be considered, the Member should stop participating (but not necessarily leave the meeting) until the Committee has made its decision unless the Member believes that he or she is able to consider and that he or she would be seen to consider the application with an open mind, fairly and on its merits.
