M Describe the steps you intend to take to promote the four licensing objectives:

a) **General – all four licensing objectives (b,c,d,e)** (please read guidance note 10)

Not to be added as conditions

This is an application for a new Premises Licence for the Mayfair chippy Knightsbridge.

The Mayfair chippy currently trades on South Audley Street, its original site in Mayfair and a similar operation is proposed here.

It is (as its name suggests) a traditional British food led premises with a selection of seafood but with the signature dish being traditional good quality fish and chips.

The background

The premises were previously licensed and traded as il Baretto but that licence is no longer in force.

This is an application for similar hours but slightly longer than the previous licence which was a converted old Justices licence relatively free of conditions.

The application for slightly longer hours is not significant in this busy area and is within policy guidelines.

In addition there are a number of conditions which were on the previous licence to promote the prevention of public nuisance and more up to date conditions (for example CCTV and limited off sales) to promote other licensing objectives.

The operation of the premises

The premises are on four floors, with the principal trading area on the ground floor.

There are on the first floor and second floor small private dining areas.

A condition is offered that all customers on the ground floor who are consuming alcohol must be seated.

There is greater flexibility sought for the relatively small private dining areas.

There will be deliveries and there is on a plan a separate entrance route for these; two good quality and respected delivery operators will be used and the condition is offered in relation to this.

Deliveries are made from the existing site and it is the applicant's experience that employees who are used are well trained and aware of the importance of minimising any noise disruption as much as possible.

The applicant is happy to discuss the application during the consultation period.

b) The prevention of crime and disorder

There shall be CCTV in operation at the premises and;

a) a member of staff who has been nominated in writing and who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public.

b) if the premises are not open, and subject to the tests set out by virtue of the Data Protection Act, within 24 hours of a request for access to the CCTV system from either the police or licensing authority, this staff member must be able to show a Police, HMRC or authorised council officer recent data or footage with the absolute minimum of delay when requested.

c) all recordings shall be stored for a minimum period of 31 days with date and time stamping.

d) recordings shall be made available immediately upon the request of a Police or Licensing officer throughout the preceding 31-day period.

e) the CCTV system shall be maintained according to the current Home Office specification for premises of this type.

f) should the equipment become faulty then the Metropolitan Police will be notified by e mail and all reasonable efforts made to have any fault rectified within 24 hours.

c) Public safety

Off sales of alcohol only with a substantial meal.

On the ground floor only, alcohol will only be consumed by customers who are seated.

d) The prevention of public nuisance

A daily incident log shall be kept at the premises for a period of at least 12 months from the date of last entry, which will record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received
- (d) any incidents of disorder
- (e) any faults in the CCTV repaired within 24hrs
- (f) any refusal of the sale of alcohol
- (g) any visit by a relevant authority or emergency service.
- (h) any lost property found or handed to staff at the premises.
- (i) any other relevant incidents to be recorded.

The premises will liaise with their delivery providers so as to minimise noise and distribution to any local residents.

The Premises Licence Holder shall ensure that no music or amplified sound shall be generated within the premises so as to give rise to nuisance within neighbouring dwellings.

The Premises Licence Holder shall ensure that no noise or vibration associated with the operation of plant at the Premises shall give rise to a nuisance to the occupiers of neighbouring properties.

The Premises Licence Holder shall ensure that clearly legible notices shall be displayed at all exits from the premises requesting patrons to respect the needs of local residents and to leave the premises and area quietly.

e) The protection of children from harm

A "Challenge 21" age verification policy shall be operated at the Premises during the permitted hours for the sale of alcohol and staff shall be trained in respect of the policy. Staff shall ask for proof of age from anyone they suspect of being less than 21 years of age. The only acceptable forms of identification shall be a photo style driving licence, a passport, a photo identification card bearing the PASS logo in a hologram format, military ID or recognised national photographic identity cards from member countries of the European Union.

All staff responsible for selling alcohol shall receive regular training in the Licensing Act 2003 in terms of the licensing objectives, offences committed under the Act and conditions of the Premises Licence.

Written records of staff training in the Licensing Act 2003 shall be retained and made available to police and authorised officers of the Licensing Authority on request.

Staff shall receive refresher training in the Licensing Act 2003 at intervals of no more than 12 months.

Signed and dated records shall be kept of all staff training and such records kept available for inspection at the premises for a period of at least one calendar year from the last date of entry.
