Outcome	Targets	KCP PRO
	i The average number of accidental dwelling fires	
Outcome 4 (fire safety)*	per annum ii The average number of deliberate primary fires	£187,50
To increase fire enfant and reduce areas	per annum	£61,50
To increase fire safety and reduce arson	iii The number of Home Fire Safety Checks	04.50
	completed since 1 April 2006   Total	£4,50 £253,500
	rotar	2200,000
	i The percentage of 16-19 year olds resident in	
	the borough that are not in education, employment or training	£182,50
Outcome 5 (NEET)	ii The percentage of 16-19 year olds leaving	2102,00
To further reduce the number of children and young people that are not in education, employment or training, with a particular focus on those people leaving care, those discharged from Youth Offending Institutes and teenage mothers	Youth Offending Institutes that participate in	040.50
	education, training or employment iii The percentage of looked after children leaving	£12,50
	care aged 16-19 that are in education, training	
	or employment	£12,50
	iv The percentage of teenage mothers aged 16-18 that are resident in the borough and are known	
	to Connexions that access education, training or	
	employment and/or achieve accredited	£12,50
	Total	£220,00
Outcome 6 (accredited outcomes)	i The number of young people aged 13-19 that	
	complete a training course funded by the	
To increase the number of young people	Council and attain an accredited outcome	0440.00
attaining accredited outcomes	 Total	£110,00 £110,00
		21.0,00
Outcome 7 (school attendance)	i The average annual attendance rate in RBKC	
To raise attendance and reduce pupil	secondary schools	£175,50
absence, including unauthorised absence	ii The average annual attendance rate in RBKC	£175,50
(truancy), in Royal Borough schools	primary schools	£230,00
	Total	£405,50
Outcome 8 (child obesity)*	i The percentage of primary school children in	
, ,,	reception year and year 6 (combined) that are	
To halt the year-on-year rise in obesity	alana (an defined by Dall BCA10a)	
	obese (as defined by DoH PSA10a)	£220 00
among children under 11	Total	
among children under 11	Total	
	Total  i The breastfeeding initiation rate as defined by	£220,000
among children under 11	Total	£220,000
among children under 11  Outcome 9 (breastfeeding)*	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are breastfeeding at the 6-8 week baby check	£220,000 £68,75 £206,25
among children under 11  Outcome 9 (breastfeeding)*  To support breastfeeding and healthy	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are	£220,000 £68,75 £206,25
among children under 11  Outcome 9 (breastfeeding)*  To support breastfeeding and healthy	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are breastfeeding at the 6-8 week baby check  Total  i The percentage of children aged 5-13 that are	£220,000 £68,75 £206,25
among children under 11  Outcome 9 (breastfeeding)*  To support breastfeeding and healthy	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are breastfeeding at the 6-8 week baby check  Total  i The percentage of children aged 5-13 that are satisfied with opportunities to influence	£68,75 £206,25 £275,000
among children under 11  Outcome 9 (breastfeeding)*  To support breastfeeding and healthy	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are breastfeeding at the 6-8 week baby check  Total  i The percentage of children aged 5-13 that are satisfied with opportunities to influence important decisions	£68,75 £206,25 £275,000
among children under 11  Outcome 9 (breastfeeding)*  To support breastfeeding and healthy weaning	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are breastfeeding at the 6-8 week baby check  Total  i The percentage of children aged 5-13 that are satisfied with opportunities to influence important decisions ii The number of 13-19 year olds that are active members of the Youth Forum	£220,000 £68,75 £206,25 £275,000
among children under 11  Outcome 9 (breastfeeding)*  To support breastfeeding and healthy weaning  Outcome 10 (involvement in	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are breastfeeding at the 6-8 week baby check  Total  i The percentage of children aged 5-13 that are satisfied with opportunities to influence important decisions ii The number of 13-19 year olds that are active members of the Youth Forum iii The number of 5-13 year olds that are active	£220,000 £68,75 £206,25 £275,000 £22,00
among children under 11  Outcome 9 (breastfeeding)*  To support breastfeeding and healthy weaning	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are breastfeeding at the 6-8 week baby check  Total  i The percentage of children aged 5-13 that are satisfied with opportunities to influence important decisions ii The number of 13-19 year olds that are active members of the Youth Forum	£220,000 £68,75 £206,25 £275,000 £22,00
among children under 11  Outcome 9 (breastfeeding)*  To support breastfeeding and healthy weaning  Outcome 10 (involvement in decisions)  To increase the active involvement of	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are breastfeeding at the 6-8 week baby check  Total  i The percentage of children aged 5-13 that are satisfied with opportunities to influence important decisions ii The number of 13-19 year olds that are active members of the Youth Forum iii The number of 5-13 year olds that are active members of the Children's Forum iv The number of 5-13 year olds that receive a certificate for participation in decision-making	£220,000 £68,75 £206,25 £275,000 £22,000 £22,000
among children under 11  Outcome 9 (breastfeeding)*  To support breastfeeding and healthy weaning  Outcome 10 (involvement in decisions)  To increase the active involvement of children and young people in decision-	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are breastfeeding at the 6-8 week baby check  Total  i The percentage of children aged 5-13 that are satisfied with opportunities to influence important decisions ii The number of 13-19 year olds that are active members of the Youth Forum iiii The number of 5-13 year olds that are active members of the Children's Forum iv The number of 5-13 year olds that receive a certificate for participation in decision-making bodies for children's services	£220,000 £68,75 £206,25 £275,000 £22,000 £22,000
among children under 11  Outcome 9 (breastfeeding)*  To support breastfeeding and healthy weaning  Outcome 10 (involvement in decisions)  To increase the active involvement of	i The breastfeeding initiation rate as defined by LDPR ii The percentage of mothers that are breastfeeding at the 6-8 week baby check  Total  i The percentage of children aged 5-13 that are satisfied with opportunities to influence important decisions ii The number of 13-19 year olds that are active members of the Youth Forum iii The number of 5-13 year olds that are active members of the Children's Forum iv The number of 5-13 year olds that receive a certificate for participation in decision-making	£220,000 £68,75 £206,25 £275,000 £22,000 £22,000

## Summary table

	Likelihood of meeting targets	
	and receiving PRG	Totals
	Little or no risk of failure - very likely to	
	meet or met already	£1,499,063
	Currently uncertain - final outturn data	
	not available, on trajectory but may fall	
	short of target or meeting now but could	
	easily slip	£801,250
	Significant risk of failure - unlikely to	
	meet or hasn't been met	£220,000
