Aims of REP KC

- To promote diversity, justice and equality of access and opportunity among the residents and work force of Kensington and Chelsea.
- To identify, highlight and tackle racism and its causes
- To monitor and respond to the impact of statutory policies and services on BME communities in Kensington and Chelsea
- To support the review and improvement of policies and services that exclude or negatively impact on the Borough's BME residents and workforce
- To ensure that equality policies on, for example, gender, disability, faith and sexuality specifically recognise and address the needs of BME communities
- To ensure that the REP KC structure works strategically and is informed by the BME community network.
