**PLEASE NOTE** that any member of the press and public may listen-in to proceedings at this 'virtual' meeting via a weblink which will be publicised on the Council website at least 24hrs before the meeting. Members of the press and public may tweet, blog etc. during the live broadcast as they would be able to during a regular Committee meeting at the Town Hall. ## Public Agenda

### A1. APOLOGIES FOR ABSENCE

### A2. DECLARATIONS OF INTEREST

*Any Member of the Committee, or any other Member participating in the virtual meeting, who has a disclosable pecuniary interest in a matter to be considered at the meeting is reminded to disclose the interest to the meeting and to leave the virtual meeting while any discussion or vote on the matter takes place.*

*Members are also reminded that if they have any other significant interest in a matter to be considered at the meeting, which they feel should be declared in the public interest, such interests should be declared to the meeting. In such circumstances Members should consider whether their continued participation, in the matter relating to the interest, would be reasonable in the circumstances, particularly if the interest may give rise to a perception of a conflict of interests, or whether they should leave the virtual meeting while any discussion or vote on the matter takes place.*

## **Other Declarations**

*Any Member of the Committee who does not have a disclosable pecuniary or other significant interest in a planning application to be considered at the meeting but who has been involved in organising support for or objections to such a planning application, submitted representations or expressed support for or opposition to the application (either publicly or in private with the applicant or objectors) should declare this at the meeting. At the point during the meeting when that planning application is to be considered, the Member should stop participating (but not necessarily leave the virtual meeting) until the Committee has made its decision unless the Member believes that he or she is able to consider and that he or she would be seen to consider the application with an open mind, fairly and on its merits.*
