1. EXECUTIVE SUMMARY

- 1.1 This is the Annual Report of the Safeguarding Adult Executive Board (SAEB). The multi-agency Board provides leadership of adult safeguarding across the Royal Borough of Kensington and Chelsea and Westminster City Council. The purpose of the Board is to ensure that member agencies work together, and independently, to secure the safety of residents who are at most at risk of harm from others, or through self-neglect. The responsibilities of the SAEB are detailed in Schedule 2 of the Care Act 2014¹, and include the requirement to report on how members are progressing the SAEB's strategic priorities. These priorities are informed by the learning from Safeguarding Enquiries (Section 42), and Safeguarding Adults Reviews (Section 44) of deaths and serious harm.

- 1.2 The report seeks to show how the SAEB and member agencies have addressed these priorities during 2019/20. This work included residents being at the centre of decision-making about their care, treatment, and safety (*see case example on page 30*). We continue to tackle financial abuse and fraud by helping people protect themselves and others against scams. In November 2019 the **Safeguarding Adults Awareness Week campaign** was both a national and local success. In the Bi-Borough residents had the opportunity to watch the **'Safe at Home'** (short films) which were co-produced with our service user groups, receive helpful information from all our local services on scam awareness, wellbeing and safety, and ask any safeguarding related questions.
- 1.3 During 2019/20 the SAEB Partnership Implemented our business plan '**Statement of Intent 2019-200**' which states what we want to achieve. This included placing higher focus on hearing the voice of the service user in the workings of the board. This also involved preparation for Liberty Protection safeguards in line with changes to the Mental Capacity (Amendment) Act 2019. The **Deprivation of Liberty Safeguards Team** successfully rolled out training for Practitioners and Managers (*see page 24*).
- 1.4 **Community Engagement:** We continue **Making Safeguarding Personal (MSP)** by hearing the voices of our residents and their experience of the safeguarding process. Our user groups have been involved in reviewing the materials in our **'say no to abuse booklet'** and advised the comms team on how to improve the accessibility of the booklets. We developed a joint programme of events and practice tools with the local Safeguarding Children's Board. This approach enables overarching strategies such as **"MSP"** and **"Think Family"** to be linked into the work of the wider Safeguarding communities.
- 1.5 **Listening Leading and Learning:** As a partnership we have continued to look at information about local safeguarding activity to inform our priorities. We consider recommendations and lessons learned from both national and local Safeguarding Adult Reviews to understand what needs to change.
- 1.6 This last year we have used the 7-minute learning model to share learning via a series of workshops across the partnership for Mr X and we disseminated a 7 mins briefing on **Think Family**. Further work will be taking place in 2020/21 to embed this approach into Adult Social Care Practice.
- 1.7 Practitioners are also having to be vigilant in identifying and responding effectively to modern slavery, **human trafficking** and **self-neglect and hoarding**. The Royal Borough of Kensington and Chelsea and Westminster City Council have continued to strengthen their coordinated community response to tackling modern slavery & exploitation (*see page 22*).

2. RECOMMENDATIONS

- 2.1 it is recommended that the report is noted and the strategy and priorities informing current work endorsed.

3. REASONS FOR DECISION

- 3.1 The Leadership Team is requested to consider the Annual Report 2019/20 of the Safeguarding Adults Executive Board (SAEB), with regard to the ongoing arrangements that have been put in place to meet the requirements of the Care Act 2014, from 1st April 2015.

4. BACKGROUND

- 4.1 The SAEB operates under Schedule 2 of the Care Act 2014, overseeing the statutory duties of conducting Safeguarding Adult Enquiries (Section 42) and Safeguarding Adults Reviews (Section 44).
- 4.2 The report seeks to show how member agencies of the SAEB provide assurance to the SAEB for the ways in which its three strategic priorities (Making Safeguarding Personal; Creating Safe and Healthy Communities; and Leading, listening and Learning) are being promoted within their organisation.

5. CONSULTATION AND COMMUNITY ENGAGEMENT

- 5.1 All necessary consultation has taken place before this report was published. The consultation included circulation of the draft report to all members of the Safeguarding Adults Executive Board, seeking their comments and consent to publication

6. LEGAL IMPLICATIONS

- 6.1 The Care Act 2014 says the Board must publish a report of what it has done during the year to achieve its objectives, including findings of the reviews arranged by it under Section 44 of the Act.
- 6.2 The SAEB must lead adult safeguarding arrangements across its locality and oversee and coordinate the effectiveness of the safeguarding work of its member and partner agencies. This will require the SAEB to develop and actively promote a culture with its members, partners and the local community that recognises the values and principles contained in **'Making Safeguarding Personal'**. It should also concern itself with a range of issues which can contribute to the wellbeing of its community and the prevention of abuse and neglect, such as:
- the safety of people who use services in local health settings, including mental health
 - the safety of adults with care and support needs living in social housing
 - effective interventions with adults who self-neglect, for whatever reason
 - the quality of local care and support services
 - making connections between adult safeguarding and domestic abuse.

7. FINANCIAL, PROPERTY AND ANY OTHER RESOURCES IMPLICATIONS

Annual contributions from SAEB members to support the function of the board include:

Mayor's Office for Policing and Crime **£10,000.00** (£5,000.00 per borough)

CCG Collaborative **£40,000.00** (£20,000 per borough)

London Fire Brigade **£1,000.00** (£500.00 per borough)
