Report title	CONSULTATION RESPONSE IN RELATION TO PLANNING FOR THE FUTURE WHITE PAPER (supplementary report)	
Reporting officer	Sue Harris, Executive Director for Environment & Communities	
Key decision	Yes	
Access to information classification	Public	

The Leadership Team is invited to accept the following amended sections of the report and to agree the **revised recommendations**.

2. RECOMMENDATIONS

2.1. The Leadership Team is recommended:

- (i) to approve the consultation response to the Government *Planning for the Future* White Paper (as set out at Appendix A).
- (ii) to note that, should the Council receive comments from local people or organisations, or from the Environment Select Committee (which meets on 12 October), by 9 am Monday 26 October, the Lead Member for Planning & Transport, in liaison with the Director of Planning & Place, will make any necessary or desirable amendments to the response as approved by the Leadership Team before the response is formally submitted to Government in advance of the 29 October 2020 deadline.

7. CONSULTATION AND COMMUNITY ENGAGEMENT

7.1 This is a Central Government consultation, so the Council has not undertaken any public consultation and engagement on this proposed response. However,

internal consultation within Planning & Place and other interested departments such as Economic Development and Housing has taken place, and these departments input has informed the draft response attached as Appendix A.

- 7.2 Local residents and amenity groups are of course free to make their own responses to this Government consultation. Nevertheless they may also be interested to see and influence the Council's response. As such, should the Council receive comments from local people or organisations, or from the Environment Select Committee (which meets on 12 October), by 9 am Monday 26 October, the Lead Member for Planning & Transport, in liaison with the Director of Planning & Place, will make any necessary or desirable amendments to the response as approved by the Leadership Team before the response is formally submitted to Government in advance of the 29 October 2020 deadline.
