COUNCIL MEETING – 18 JANUARY 2012

ITEM 12

MOTIONS

Amendment to Motion (i)

To delete the last paragraph of the motion printed in the agenda so that the motion reads:

"The Council has recently received very welcome news about involvement with the prestigious Community Budget pilot with our Tri-borough partners. This will be developed over the coming year to devise an action plan, with implementation from April 2013. To give the project the best possible chance of success, this Council therefore commits fully, in every relevant business group and with immediate effect, to work towards the targets laid out in the Community Budget pilot scheme, as described in the 'Tri-government guarantee' : -

- Working together to ensure that every young person under 25 has a job or is in training or education.
- A commitment to achieve educational excellence where 80% of children across the three boroughs achieve five 'A' grade GCSEs including Maths and English;
- An assurance that people in the 'squeezed middle' (with a combined household income below £60k) have access to high-quality affordable housing'
