## **G. CHOICE OF PROCEDURE**

There are 3 possible choices:- written representations, hearings and inquiries. You should consider carefully which method suits your circumstances before selecting your preferred option by ticking the box.

### **1. THE WRITTEN REPRESENTATIONS PROCEDURE** \_\_\_\_\_

This is normally the simplest, quickest and most straightforward way of making an appeal. The written procedure is particularly suited to small-scale developments (e.g. individual houses or small groups of houses; appeals against conditions or changes of use).

- |                                                                                                                       |     |    |
|-----------------------------------------------------------------------------------------------------------------------|-----|----|
| a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? | YES | NO |
| b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts?                 | YES | NO |

If so, please explain below or on a separate sheet.

### **2. THE HEARING PROCEDURE** \_\_\_\_\_

This procedure is likely to be suited to more complicated cases which require detailed discussion about the merits of a proposal. At the hearing the Inspector will lead a discussion on the matters already presented in the written statements and supporting documents. Although you may indicate a preference for a hearing, the Inspectorate must also consider that your appeal is suitable for this procedure. You must give detailed reasons below or on a separate document why you think a hearing is necessary.

Please answer the question below.

- |    |                                                                                                                                                                                                            |                  |    |
|----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|----|
