Hi Alison,

Further to Jon's email, I have now determined this one and have asked our admin team to issue a letter confirming that we have no strategic concerns, thereby allowing RBKC to determine the case itself.

This letter should be with you later today/early next week.

Many thanks  
Sarah

Hi Alison,

Sarah (cc'd) is dealing with this. We have received the application and are minded that there is no strategic interest.

That will be formally confirmed over the coming days.

Thanks  
Jon

Dear Jon/Sukhpreet,

Sorry to contact you directly but I was hoping you could confirm who is dealing with a referral.

A consultation letter was sent to the GLA on the 16<sup>th</sup> August in connection with a variation of condition application for a development which Sukhpreet Khull dealt with last year. The site is 196-222 Kings Road and the current application reference is PP/16/04793.

I was hoping you could confirm receipt and who is dealing with this as we have a tight turnaround for committee.

Thank you in advance.

Kind regards,
