We have received your application and registered it as described above. The description of development we have used may differ from the wording on your application and we will assume you agree to this change unless you let us know.

What happens next?

- The application and supporting information will be published on our website at <http://www.rbkc.gov.uk/PP/17/07888>
- We will tell the owners/occupiers of properties adjoining the application site about the application and explain how they can comment on it. We may also publicise the application with a notice at the site and a public notice in The Gazette.
- We will send an email alert to MyRBKC account holders who have chosen to be alerted about this type of application.
- We may ask specialist advisers to give us views on your application to help us assess it.
- A planning officer will review the application, start to gather information to help assess it and will visit the site. We will contact you if we need to gain access to private land to help that assessment.

Making a decision

In most cases we will decide your application on the basis you submitted it and we will not ask you to submit additional information or amend the application. Most applications are decided by the Executive Director, but if the decision will be made by a planning committee of councillors we will write to tell you so you can attend the committee meeting if you wish.

We will send you our decision when it is made and you will be able to read the summary

report explaining the reasons for our decision on our website at <http://www.rbkc.gov.uk/PP/17/07888>.

If you do not receive our decision by 13/03/2018 then you can appeal to the Secretary of State and ask for one of their Inspectors to take over your application. Please do not do this without first contacting us – it may be better for you to wait for us to decide your application. You can also appeal to the Secretary of State if we refuse your application and ask for the decision to be overturned. We will provide more information about this with our decision.

Community Infrastructure Levy (CIL)

The CIL is a charge levied on the net increase in floorspace arising from development in order to fund infrastructure that is needed to support development in the area.

The Council requires the submission of a CIL Form accompanied by a completed CIL Calculator with a planning application where there is any net increase in floorspace or where all of the existing floorspace is 'vacant'. If this applies to your proposal please complete the additional CIL Form and CIL Calculator at www.rbkc.gov.uk/cil and return it to planning@rbkc.gov.uk by 24/01/2018.

Queries about your application

If you have queries about your application please first review the application on our website at <http://www.rbkc.gov.uk/PP/17/07888>.

You can find out more information about how we deal with applications at <http://www.rbkc.gov.uk/planningandbuildingcontrol/planningapplications/guidanceandadvice.aspx>. If your query is not answered our PlanningLine advisers will be able to help on 0207 361 3012.

Yours sincerely
