Dear Mr. Nodder.

The notice only needs to be displayed for seven days in order to comply with the Act. I will arrange for Mrs. Wilden to re-post the notices on her return to ensure that this timescale is complied with..

Dear Mr Coey,

re PP/07/01662 and 01663 Phene Arms 9 Phene Street. In your colleague Mrs Sarah Wilden's absence on leave, I am writing to tell you that the Notices of these planning applications which were posted last week on the fence of the Phene Arms, have been taken away. Could you please arrange for these notices to be replaced, as it is important that local residents should be aware of these applications. You will not be surprised, I am sure, when I tell you that it is already apparent that there will be a significant number of objections.

Please copy your reply to the other recipients of this email.

Best regards Tim Nodder chairman Oakley Street Residents Association.
