**Subject:** Cllr Ritchi objection to Phene Arms

*Phene Street*

Hi

Cllr Corbet-Singleton rang me this morning to say that Cllr Ritchie also asked him to register her formal objection against the market housing at the Phene Arms. He said he is keeping an open mind but wanted to ensure that her objection was noted. I said I would pass to you to log and forward to case officer.

Thanks

David

Cllr Ritchie says she understands that there is a planning application on the Phene Arms to convert it to residential housing and next week she will be making a formal objection to this application.

Best regards
