**BREEAM ECOHOMES PRE ASSESSMENT AND SUSTAINABILITY
SUMMARY REPORT**

THE PHENE, 9 PHENE STREET, LONDON, SW3

I am writing to confirm that I have reviewed the information contained within the EcoHomes Pre Assessment report for the project known as The Phene, (reference RFB/PJ/5819) produced by The KUT Partnership.

Metropolis Green are Licensed BREEAM EcoHomes and Code for Sustainable Homes Assessors, (Licence No: MP20) with BRE Global Ltd.

Metropolis Green have several years experience of completing and certifying BREEAM EcoHomes and Code for Sustainable Homes assessments.

We have undertaken a review of the pre assessment for The Phene and the planning brief produced by The KUT Partnership. Pursuant to this we have provided our comments to The KUT Partnership with regards to the pre-assessment, which have been incorporated into the document.

Continues...

metropolis green

It is my opinion that the EcoHomes Pre Assessment and the information contained within it is an accurate representation of the facts and situation at The Phene. The overall score allows a margin for flexibility in the assessment process however the project design team are aware that as the project progresses, if any credits are lost they will need to be made up elsewhere in the assessment to achieve the targeted EcoHomes rating.

Yours Sincerely
