

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/17/07888
Site Address: 132B Fulham Road, LONDON, SW3 6HX
Proposal: Demolition of dwelling house and erection of a two storey 2-bedroom detached house with subterranean development

Comment received: 132b is on the main Fulham Road which also provides the only access for builders lorries. The proposed building is very modern while surrounded by georgian buildings. The extensive basement would undermine other dwellings. The construction will mean that neighbouring properties will have a taller wall at the back and thereby suffer a loss of light.
