

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/17/01413
Site Address: Queen Ann's Orangery, Palace Green, LONDON, W8 4PZ
Proposal: Demolition of structures to rear of The Orangery, construction of extension comprising basement and single storey above ground. Alterations, including provision of two internal links to landscaping south of The Orangery lawn, including new gardener's store. Provision of temporary marquee during period of construction. Associated works and landscaping.

Comment received: This application flies in the face of CL 17 as well as restrictions on the development of basements under listed buildings. It's somewhat surprising Historic Palaces thought they could be an exception.
