Comment received: I feel this development must include social housing, for people who are on or below average wages, or else it does not meet the principle of Westway Trust being a registered charity who are meant to benefit the local community. The word 'affordable' has been distorted to refer only to those who are above average income, so I revert to the old terminology and remind you that there is a big and diverse community that is finding it impossible to stay in their home area, and we must ensure we don't become yet another desert of investment properties left empty or used as AirB&B hotels
