

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/17/07888
Site Address: 132B Fulham Road, LONDON, SW3 6HX
Proposal: Demolition of dwelling house and erection of a two storey 2-bedroom detached house with subterranean development

Comment received: I am objecting on the grounds as follows:
The building will have a modern appearance which is totally out of keeping with the conservation area it is in.
The deep basement excavation is perilously close to a 19th century property.
The work would affect the busy traffic on the Fulham Road which is a major bus route.
There is a bus stop close by.
