

## PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/17/07888  
Site Address: 132B Fulham Road, LONDON, SW3 6HX  
Proposal: Demolition of dwelling house and erection of a two storey 2-bedroom detached house with subterranean development

**Comment received:** I am very concerned with the environmental pollution that is going to be caused by the building works and that will affect our building. The dust and the cleanliness of the surrounding roads. Blocking of the view for our building, due to the extension, and reduction of the light will be another major concern.
