

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/17/07888
Site Address: 132B Fulham Road, LONDON, SW3 6HX
Proposal: Demolition of dwelling house and erection of a two storey 2-bedroom detached house with subterranean development

Comment received: I am a resident at 25 Cranley Gardens, almost next to this planned monstrosity. I cannot believe that such an idea has even been considered. The new design is quite out of keeping with the rest of the area and will serve to enclose a space that is, at present, wonderfully integrated, easy on the eye and in keeping with the rest of Cranley Gardens and Selwood Place. The ultra modern, straight lines and large glass panelling envisaged for the new structure will, if they are implemented, totally change the visual aspect of what is at present an agreeable ensemble. Any resident with a view on to this space - and that must include at least 50 souls - must dread this new plan, a form of planning blight that the Courtfield Ward has so far escaped. Please don't do it.

Yours sincerely
