

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/17/07888
Site Address: 132B Fulham Road, LONDON, SW3 6HX
Proposal: Demolition of dwelling house and erection of a two storey 2-bedroom detached house with subterranean development

Comment received: Dear Mr Stallwood,

Some local residents were unaware of this application, and with little time to object, the idea was suggested (not by me) of a signed petition (attached).

Doorstep discussions related to the existing building blending acceptably within its setting while the proposed replacement does not, risks highlighted by Michael Blacker C Eng FStruct E regarding excavation alongside two 19th Century buildings, excessive disruption to highways highlighted in the CTMP and adverse impact to neighbouring property.

Excluding previous objectors (indicated by black dot), 17 signatures were obtained from local shops and 26 from households within a 2 minute walk of the site.

To date, the total number of full objections on-line is now 35, so this added to petition signatures brings a total of 78 very local people.

Yours sincerely,
