

## PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/17/07888  
Site Address: 132B Fulham Road, LONDON, SW3 6HX  
Proposal: Demolition of dwelling house and erection of a two storey 2-bedroom detached house with subterranean development

**Comment received:** the three listed Georgian houses including 132 and 130 Fulham Road have no cement foundations but are instead built on half bricks with considerable movement over the last two hundred years. There is too great a risk that a deeper excavation of the house immediately adjacent to us will cause considerable structural damage to these listed houses. The main reason for the objection is therefore the planned excavations
