

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/18/05313
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

Comment received: The proposed route for construction traffic via Victoria Road and St Albans Grove is unacceptable. These are narrow residential streets with many pedestrians and school children. In my opinion it would prove very dangerous if approved. It is already difficult for 2 way traffic to pass, particularly on St Albans Grove, and the thought of heavy construction lorries attempting to pass one another in a quiet residential neighbourhood on these narrow roads is quite appalling.
