The second pre-application advice application file for the Heythrop College is on the website which we are very pleased to see, however, we do not see a FINAL letter as was provided at the end of the previous advice period. Is there to be a final letter or a summary of the issues addressed and concerns remaining?

In addition, we note that the APP is now on the website but it is from a meeting in July 2018 and notes in the final paragraph areas which the panel felt needed revising. This application was not made until 9 September 2018. Can you tell us what if any of these issues have been addressed by the application?

Yours sincerely
