

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/18/05313
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

Comment received: We strongly object to this planning application. This is not a care home but a residential development for older rich people who will seldom be there and with little community use. There is no affordable housing. The development is far too large for the site which we currently look on to and value the green space. The five year construction would be a traffic nightmare for our quiet neighbourhood with two schools and the entrance to the site in South End is so small as just to be a joke. The deck over the TfL is also inappropriate. Please turn this down.
