

## **PLANNING APPLICATION PUBLIC COMMENT**

Application number: PP/18/05313  
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH  
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

**Comment received:** Sir/Madam,  
I object to this planning application.

This scheme is against Policy CK1 - to preserve low-value Social & Community uses. Also the scale of the development is over 3 times the scale of the existing buildings footprint and totally inappropriate for the area. The planned deck over the TfL rail lines requires separate planning considerations. Any development of this site must be a significant order of magnitude smaller than the current plan. It looks akin to the grotesque Battersea development in its present form.
