We strongly object the reconstruction of HEYTHROP College. The huge project that will last for many years of construction that will involve tremendous work around our residence that will result excessive noises and traffic. We already suffer of congestions in our area whether it is refurbishment of flats ,streets ,pavements or Trucks and deliveries van parked on our little street not to mention school buses family cars that drop their children in 2 schools which causes disruptions of our daily lives. We refuse categorically the nightmare they want to bring in front of our doors.
Thank you
It is unacceptable to disrupt our daily lives with massive scale of development.
Thank you
