

## **PLANNING APPLICATION PUBLIC COMMENT**

Application number: PP/18/05313  
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH  
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

**Comment received:** I am writing to object to the real estate development that is planned on the Heythrop College that will alter the life of our neighborhood in a very negative way. The development is a squeezing of high net individuals into an until now quiet area that was designated for social and community use. To disguise this change in the use of the land as one that is caring for the old speaks miles about the developers that are in charge of the project.
