Application number: PP/18/05313  
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH  
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

**Comment received:** Dear Sir/Madam,

I am the owner of a property situated next to the planned housing development. I and my family would like to express objections and our concerns with regards the increased amount of traffic and the inflow of heavy vehicles that will be related to the construction site. We initially bought the house exclusively because of its quiet leafy location and were hoping to raise kids in a quiet unpolluted environment. We presume the construction will be taking place over several years, and this will be very inconvenient. We suggest there is an alternative access to the building site.

Please consider our objections
