

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/18/05313
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

Comment received: I gather Victoria Road may be used for transporting materials to the site to which I would object. It is a residential road with a lot of school traffic and already used as a cut through for the regular congestion on Kensington High St. The access to Kensington Square is more direct and more appropriate immediately from Kensington High St and I would ask that this be a condition of any development approval.
