

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/18/05313
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

Comment received: I think the development is unacceptable. It is using a loophole to push through more luxury developments that will further deteriorate the quality of our neighborhood. These properties are being left empty, half the high street is closing down or closed as there isn't a constant patronage year round. There needs to be a diversity of land uses and this is most certainly not it.
