

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/18/05313
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

Comment received: This project is extremely big and frankly I don't see how so many lorries will be able to drive thru the tiny access in South End. Additionally this is a conservation area and the amount of traffic this new project will create when it gets built will make the area completely un-liveable.

Additionally I don't think the Council is even considering the loss of green space.
