(MAJOR DEVELOPMENT)

Comment received: I have already written my objection and after revising of the old plans, my objection still holds; this is too large a development for this site
I do not think it is being properly used as a place for the aged ie an old age facility
I am horrified by the route and duration of the project .. after years of Devere gardens ; now this!! Olival quality of life is being hugely compromised for long periods of time.. noise, dust, traffic disruption and many unusable parking spaces
