Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. Comment received: I wish to object strongly to the Planning Application for Heythrop College.
Being surrounded as I am by No. 1 Victoria Road I am well aware of vast high value mainly empty residential properties. They add nothing to the neighbourhood.
For yet another to be built close by will yet further prejudice the atmosphere of the Borough.
To call this the equivalent of a real care home is a total distortion.
Furthermore, living in Victoria Road this would result in a 5 year traffic nightmare peaking at 60 heavy lorry loads running daily past our house.
