

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/18/05313
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

Comment received: I am writing to object very strongly to PP/18/05313 relating to the proposed Heythrop College development in Kensington Square.

It is much too dense for the site and seems only intended for the very wealthy. There would be no genuinely affordable care or housing provided (something our borough very much needs) and surely it would contravene the Council's Local Plan Policy CK1. The local impact of the TfL 'deck' doesn't bear thinking about, nor does the prospect for nearby residents of 5 years of heavy lorries thundering through our neighbourhood.
