

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/18/05313
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

Comment received: As a resident of RBKC and someone who works in the area around the Heythrop College site I strongly object to this development. The quiet residential streets around the site are just not equipped to handle the heavy lorries. This is a family area with lots of small children not to mention Thomas's school - it will become extremely dangerous for them.
Long term, I fail to see how the local community can possibly sustain such a large development. Any plan to develop that site should be far smaller in scale.
