

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/18/05313
Site Address: Heythrop College, 23-24 Kensington Square, LONDON, W8 5HH
Proposal: Reinstatement of three townhouses (Class C3), (part of 23 and 24 Kensington Square); refurbishment of college building (part of 23 Kensington Square) and use as an extra care facility (Class C2). Demolition of all other buildings on site. Erection of deck over adjacent London Underground line and construction of 5 buildings (ranging between 1 and 8 storeys in height) for use as an extra care facility including units, communal facilities and services areas, community hall and on-site affordable housing and associated access parking, servicing and landscaping. (MAJOR DEVELOPMENT)

Comment received: I do not wish for massive disruption in this neighborhood. I live right where construction will be taking place and I had a toddler and will have a newborn in March. The thought of all of this massive disruption is already stressing me out and that isn't good for my health or my child's health. I pray you reconsider this issue. You should think about the residents who live here and pay money to live in this quiet neighing. There is a reason we chose this area to live and it definitely isn't for developmental purposes.
