

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/20/04812
Site Address: 19 Mallord Street, LONDON, SW3 6AP
Proposal: Change of use of basement, ground and three upper storeys from former telephone exchange (Sui Generis) to new health and fitness club; creation of small single storey rear extension at basement level; excavation for a swimming pool at basement level; alterations to entrances and external paving; and other works and improvements to building.

Comment received: I strongly object for several reasons
1- increase in noise and traffic along Mallord street from visitors to the club
2- air conditioning units which are likely to be at the back of the building and noisy day and night.
3- increased pressure on parking.
4- Disruptive early morning deliveries on a residential street.
