

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/20/04812
Site Address: 19 Mallord Street, LONDON, SW3 6AP
Proposal: Change of use of basement, ground and three upper storeys from former telephone exchange (Sui Generis) to new health and fitness club; creation of small single storey rear extension at basement level; excavation for a swimming pool at basement level; alterations to entrances and external paving; and other works and improvements to building.

Comment received: I believe that this development would be a positive addition to RBKC. As a borough resident and existing member of this gym group I think the addition of one of their friendly well run gyms would be a big positive for the area.
