Application number: PP/20/04812  
Site Address: 19 Mallord Street, LONDON, SW3 6AP  
Proposal: Change of use of basement, ground and three upper storeys from former telephone exchange (Sui Generis) to new health and fitness club; creation of small single storey rear extension at basement level; excavation for a swimming pool at basement level; alterations to entrances and external paving; and other works and improvements to building.

**Comment received:** A very positive move to bring this new business into the area with all the benefits of adding local employment opportunities and also supplying a service to local residents and people coming in to work in the area.  
The business will add perceived value to the area and have an overall very positive influence on the area.  
I look forward to it's arrival and will probably become a member.  
Encouraging local residents to take up exercise is a great idea.
