

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/20/04812
Site Address: 19 Mallord Street, LONDON, SW3 6AP
Proposal: Change of use of basement, ground and three upper storeys from former telephone exchange (Sui Generis) to new health and fitness club; creation of small single storey rear extension at basement level; excavation for a swimming pool at basement level; alterations to entrances and external paving; and other works and improvements to building.

Comment received: I am a member of third space (Mainly CW bit am visiting regularly the others) and a high quality gym is definitely lacking in our area. The fact that there is a child care is also a must have and very important for women (I just had a baby in August and am planning to go back to the gym but organising child care is complicated)

I certainly support the application
