

PLANNING APPLICATION PUBLIC COMMENT

Application number: PP/20/04812
Site Address: 19 Mallord Street, LONDON, SW3 6AP
Proposal: Change of use of basement, ground and three upper storeys from former telephone exchange (Sui Generis) to new health and fitness club; creation of small single storey rear extension at basement level; excavation for a swimming pool at basement level; alterations to entrances and external paving; and other works and improvements to building.

Comment received: As a local resident and third space member, I give this project my full support. Having this club in the area would bring a lot of value- there simply isn't an offering like it and the site would perfectly lend itself to a gym. Third space's management is excellent - they are kind and collaborative. Fully back this!
