Core Training
Training Programme 2019/20 - Core

Introduction to Safeguarding Children (level 1)

For providers who are private or fee paying the cost will be £50

This half day workshop provides an introduction to the concept of safeguarding children including an exploration of why safeguarding is important, the laws and legislation underpinning our responsibilities, what to look out for and what to do if something is concerning.

The workshop is ideal for those practitioners who are new to working with children and perhaps do not have a great deal of direct contact with children on a daily basis.

The workshop is an introduction, therefore is not suitable for those who are in more direct or senior roles unless they have no previous safeguarding experience.

Learning Outcomes

- An opportunity to address and manage personal attitudes and beliefs
- Gain a basic understanding of the legislative framework
- Gain a basic understanding of how to raise concerns appropriately within each agency
- Have an understanding of possible signs and symptoms of abuse and harm
- Know who to contact about concerns and for making referrals

Multi-Agency Safeguarding and Child Protection (level 3)

For providers who are private or fee paying the cost will be £80

This full-day workshop includes a range of scenarios designed to explore the various risks children and young people face in our communities. There is more in depth knowledge around legislation and the child protection process is explored. The thresholds of intervention (early help, child in need and child protection) are examined and the referral process is outlined.

This workshop is suitable for those practitioners who work directly with children or parents. Those who attend this workshop should have a basic understanding of safeguarding and what to look out for (as in level 1 above) but they do not have to have attended the above course with the LSCB.

This course content is refreshed regularly and some practitioners are mandated to attend yearly. The other full-day specialist courses (below) can also meet this yearly update requirement. The half-day refresher (directly below) may also satisfy this. Please discuss with your safeguarding lead or manager if you are unsure.

Learning Outcomes

• Have up to date information about safeguarding children including how to make a referral and an understanding of the thresholds in Child in Need and Child Protection.

• Have knowledge of the lessons from local and national serious case reviews

• Know what is required as members of Child Protection Conferences and Core Groups

• Have explored the barriers to communicating and sharing information both within and outside your organisations and considered what you can personally do to improve the situation

Workshop Raising Awareness of Prevent (WRAP)

WRAP is a free, 90-minute workshop designed to improve awareness of the Prevent strategy - the Government initiative which offers voluntary safeguarding support to vulnerable individuals at risk of radicalisation. Our training sessions explore topics including radicalisation, vulnerability, grooming, a discussion on how to spot the signs that indicate safeguarding support could be valuable, and how safely to refer an individual for tailored support. We also discuss the range of voluntary support options we are able to provide.

For practitioners in Hammersmith and Fulham, and Kensington and Chelsea:
Please note, practitioners from either LBHF or RBKC can attend either workshop and they can be booked through the Learning Zone on IBC. For external staff please email prevent@lbhf.gov.uk

The Prevent team can also run bespoke sessions for teams, please email prevent@lbhf.gov.uk to arrange a session

Managerial Training
Training Programme 2019/20 – Managerial

Meet the LADO

This 2-hour workshop, delivered by the Local Authority Designated Officer, provides an introduction to the process by which allegations against professionals are managed. Scenarios are explored with different risk areas and delegates are guided through what might happen in the process and made aware of what they should be doing. It is suitable for managers, deputy managers, governors and trustees.

This workshop touches on some areas from the Safer Recruitment workshop but it is not a replacement for that workshop.

Learning Outcomes

- Understand the legal framework for safeguarding in a professional context and the role of the LADO
- Explore how allegations against professionals are managed
- Understand how to make a referral to the LADO and what information needs to be shared and considered.

Safer Recruitment (level 6)

For providers who are private or fee paying the cost will be £80

This full-day workshop is accredited by the Safer Recruitment Consortium and is suitable for managers and HR staff, including those who are involved in recruiting. The workshop provides a comprehensive approach to recruiting which aims to reduce the risk of unsuitable people gaining access to children through employment or voluntary work.

The workshop highlights a model of sex-offender’s behaviour which is then applied to the recruitment process to show how organisations can work towards preventing offenders from working in their setting. This workshop also explores how organisations can create an ongoing culture of vigilance and support staff to ensure this is organisation-wide.

If you have not attended the accredited training with the past 5 years, this session is the most suitable. However, if you would like an update sooner than 5 years, please see the ½ day refresher on the next page.

Learning Outcomes

- Have an awareness of the need for safer recruitment
- Be aware of the means by which unsuitable people can gain access to children and vulnerable people
- Be aware of the means by which safer recruitment can be achieved
- Be aware of the processes for handling allegations against staff in order that staff have the confidence to identify those who may pose a risk to children and vulnerable people, and so that staff will know what to do if/when they have to deal with these issues.

Contextual Safeguarding

Contextual Safeguarding is an approach to understanding, and responding to, young people’s experiences of significant harm beyond their families. It recognises that the different relationships that young people form in their neighbourhoods, schools and online can feature violence and abuse. Parents and carers have little influence over these contexts, and young people’s experiences of extra-familial abuse can undermine parent-child relationships.

This workshop, delivered by the contextual safeguarding leads and the missing co-ordinator, will explore the ways services can begin to think wider than the family situation in order to ensure safety and recognise risks to children and young people.

Please note this session is different from the Safeguarding and Gang Awareness and Child Sexual Exploitation sessions.

Learning Outcomes

To have an understanding of the specific needs of adolescents

To develop knowledge of why a different approach is required to Safeguard children, especially adolescents, effectively from extra-familiar risks.

To have an understanding of the key principles of contextual safeguarding.

To explore some ways in which your agency can implements some of the principles within your setting.

‘MASH’ Open Day

Please note that this is an information session.

Have you been asked to provide information to the MASH team?

Have you heard about MASH or are curious to find out more?

Do you know what your service’s information sharing agreement with MASH is?

Would you like to meet the MASH team and understand more about the risk assessments they do? And what they do with the information you provide?

Come and visit one of the MASH Open Day Sessions where you will be able to learn about what MASH stands for, what we do, how MASH can help and who is involved within it.

It will provide you with an opportunity to ask questions as well as get to know MASH processes a little more.

Working with Difficult Parents: Evasive, Organised and Serial Complainers

For providers who are private or fee paying the cost will be £80

Working with parents who are difficult or evasive can be very frustrating, anxiety inducing and feel restrictive for practitioners. This workshop, delivered by Reconstruct, highlights and explores these concerns and examines the critical dynamic between worker and service user, particularly when concerns about child protection need to be raised.

Learning Outcomes

By the end of the workshop participants will be able to:

- Provide an overview of messages from Serious Case Reviews and research.
- Understand the difference between ‘dangerous’, ‘difficult’ & ‘evasive’ behaviour.
- Know how to put the child at the heart of practice whilst dealing with parents who are difficult to work with.
- Practice a model of communication that can be used when faced with difficult situations.
- Explore patterns of behaviour that may be evasive and intentional to mislead practitioners including serial complaining and avoiding.

Upcoming Training

Please note; for providers who are private or fee paying the cost will be dependent on the length of the session in line with the LSCB Training Terms and Conditions.

County Lines

You may have come across the term County Lines and are curious about what it means. ‘County Lines' is when gangs and organised crime networks exploit children to sell or move drugs. Often these children are made to travel across counties, and they use dedicated mobile phone ‘lines' to supply drugs.

It is part of a wider problem of Child Criminal Exploitation (CCE) which has a large overlap with Child Sexual Exploitation (CSE). Sometimes children are exploited to move money or weapons or other children. It does not always include drugs being moved around.

Whilst there is not a specific workshop on County Lines, some of the LSCB workshops do explore County Lines and Child Criminal Exploitation including Multi-Agency Safeguarding and Child Protection, Modern Slavery and Contextual Safeguarding.

Support and pathways for children who have been raped or sexually assaulted

For providers who are private or fee paying the cost will be £50

This workshop is delivered by colleagues from the Havens, which are specialist centres in London for people who have been raped or sexually assaulted. It will include a detailed description of the Havens with explanations about the patient pathway and what happens at the Havens.

Learning Outcomes

By the end of the workshop, delegates will:

- Have detailed knowledge of the Havens including the patient pathway.
- Have detailed knowledge of what happens at the Havens, including presentation of evidence, forensic medical examination, and time frames.
- Explore parental consent and explaining to parents.
Explore ways in which practitioners can support children, young people and adults to access the Havens or other appropriate support.

Examine the concept that no injuries does not mean there was no assault or rape.

New dates coming soon please check the LSCB website for updates.

Safeguarding Children and Young People: Gang Awareness

For providers who are private or fee paying the cost will be £80

This workshop is co-delivered by practitioners from the Integrated Gang Unit (IGU), children’s social care and the Police.

Learning Outcomes

• To have a definition of a ‘gang’ / group / OC / peers
• Understanding the impact and causes of gang association
• The differing roles of young men and young women
• Understanding of past, current and emerging picture of TriB Gangs
• To know how young people are identified as being gang affected
• To be aware of the TriB services available and referral routes
• Gangs in London
• TriB Gangs – formal / informal
• Offending behaviour / patterns
• Cross-borough
• County Lines
• Enforcement activities / Shield pilots
• Understanding what is available to whom
• Understand the multiple ways young women are affected by gangs and roles they can play.
• Over-view of key research
• Understanding risk indicators, services available and what practitioners can do
• Understanding barriers to disclosure and how they can be overcome

New dates coming soon please check the LSCB website for updates.
Parental Substance Misuse and the Impact on Parenting

For providers who are private or fee paying the cost will be £80

This workshop, jointly delivered by Turning Point and a local authority social worker, supports practitioners to learn about the potential impact of parental substance misuse on children.

Learning Outcomes

• Identify the different types of drugs and their effects, both legal and illegal
• Understand why different people might use drugs
• Identify the potential impact of parental use on children across a range of ages, including young carers
• Explore the cycle of change and how this may impact on an assessment
• Identify sources of further support for parents and the professionals working with them
• Have greater clarity about the thresholds for safeguarding children
• Address your own attitudes and beliefs regarding parenting and substance misuse
• Develop an understanding of how to make an effective assessment with reference to the national assessment framework and identify good practice methods.

New dates coming soon please check the LSCB website for updates.
External Organisations and Training

Some of the external organisations listed below deliver training on some issues specific to their area of work. These pages are intended to raise awareness of external training offers and as such, the LSCB is not endorsing any of the training or organisations.

Standing Together Against Domestic Violence
http://www.standingtogether.org.uk/
Frontline staff in local services often find themselves confronting domestic violence on a daily basis but are uncertain about how to respond safely and connect survivors to the support they need.

Our research has shown that most gaps in the working practices of agencies can be easily addressed through effective training. Plus, staff who are confident identifying and enquiring about domestic violence make earlier intervention possible, reducing the risk of serious injury to the survivor and saving significant costs to services.

FORWARD (Foundation for Women's Health Research and Development)
http://forwarduk.org.uk/
FORWARD is committed to gender equality and safeguarding the rights of African girls and women.
As an organisation that has been working on FGM in the UK and Africa for 30 years, FORWARD is a leading expert in this field. Our training is designed to share this expertise, equipping educators, health professionals and other frontline staff with the knowledge, skills and confidence to respond appropriately and effectively to both affected and at risk women and girls. We also are pleased to offer Open College Network (OCN) accredited courses for professionals and frontline staff.

Iranian and Kurdish Women’s Rights Organisation (IKWRO)
http://ikwro.org.uk/ – provides training on Forced Marriage and “Honour” Based Violence for the CAADA training for IDVA’s. We also, in partnership with CAADA, train Young People’s Advocates on harmful practices including “Honour” Based Violence, Forced Marriage, Child Marriage and Female Genital Mutilation.

Women and Girls Network
http://www.wgn.org.uk/training – at WGN we are passionate about the training we deliver, and we endeavour to improve and enhance front-line staff effectiveness while influencing best practice in the field of violence against women and girls (VAWG).

We deliver a comprehensive range of training courses, most of which are free to delegates as these courses are funded and commissioned by a number of different funders.

To contact the Training team please email training@wgn.org.uk (please note that this email account is checked on Mondays, Wednesdays, and Fridays).
LSCB Training Terms and Conditions from June 1st 2018

Cost of Training:

The training will continue to remain free of charge for all statutory agencies, voluntary organisations and registered childminders. As the training remains free of charge, there is no provision for lunch during the courses. However, all venues have facilities close by to purchase lunch.

For all private enterprises and profit making organisations there will be a fee for the training. e.g. private GPs, nurseries, education facilities and hospitals.

The fee will be £80 for a full day training and £50 for a half day.

Your organisation will be invoiced following attendance at the training session.

Late cancellation (within less than 5 working days) will normally incur an administrative charge of £100 for a full day or £60 for a half day or less, which will be invoiced to your organisation.

Your Account on the Learning Zone:

The primary method of communication regarding LSCB training will be by email.

Therefore, it is essential that each individual user ensures that all details on the Learning Zone are kept up to date. This includes name, email address, telephone number, manager’s name and email address and role/organisation.

Please email lscb@rbkc.gov.uk if you require any information to be changed or updated.

The LSCB will not be responsible for miscommunication as a result of a user's information not being up to date.

Lateness Policy & Leaving a course early:

All candidates are requested to arrive 15 minutes prior to the course commencing as the training will begin promptly at the time stated.

One Day courses:

In order to minimise disruption to the training, The LSCB Learning and Development Sub Group have agreed that candidates that are more than 30 minutes late to a 1-day course without making contact with the venue or training team will not be allowed admittance and will be charged the full fee (£100) for non-attendance.

Half Day and shorter workshops:

In order to minimise disruption to the training, the LSCB Learning and Development Subgroup have agreed that candidates who are more than 15 minutes late for a ½ day course or shorter workshop without making contact with the venue or training team will not be allowed admittance and will be charged the full fee (£60) for non-attendance.
Leaving a workshop early:

The LSCB Learning and Development Sub Group have agreed that candidates may not leave the workshop early (unless there are exceptional reasons given). Should a candidate need to leave the course before the end of the session, they should e-mail; lscb@rbkc.gov.uk prior to the course. We will require your line management’s agreement for you to leave early. However, leaving early may also incur non-attendance charges, and you may not be eligible to receive a certificate.

Wherever possible, please email; lscb@rbkc.gov.uk to notify us or re-book an alternative session.

If during the course or session, you need to leave early, you must gain permission from the course leaders. Please be aware that this may still lead to you / your team incurring non-attendance charges, and you may not be eligible to receive a certificate.

Cancellations:

To cancel your place on a course, you must follow one of the processes outlined below. Removing the calendar invite from your diary without completing one of the steps below does not constitute a valid cancellation and will result in a charge being applied.

Cancellations with five or more working days’ notice:

Cancellations can be completed online by logging in to the Learning Zone and cancelling your place on the course. Navigate to the workshop title you wish to cancel, select the date you wish to cancel, and press the ‘cancel’ button on the right hand side of the course listing. You will receive a cancellation email, as will your line manager. Remember to delete the ‘ical’ invite in your electronic calendar.

Cancellations with less than 5 working days’ notice:

Should there be any unforeseen circumstances that require you to cancel your training with less than 5 working days’ notice, you must email; lscb@rbkc.gov.uk or telephone 0208 753 5317 as soon as possible, stating the reason you are unable to attend.

Individual circumstances will be taken into account when making a decision about applying cancellation fees. However, if no contact is made through the above methods then the organisation will be subject to the full cancellation fee for that session.

It is essential that contact is made with the LSCB training team before the session as the LSCB would always like to ensure that training places are maximised and the LSCB may be able to offer the place to other candidates.

Late cancellation (within less than 5 working days) will normally incur an administrative charge of £100 for a full day or £60 for a half day or less, which will be invoiced to your organisation.
The LSCB Learning and Development Subgroup state that cancellations can only be made for reasons relating to service users or illness. Line managers agree to staff attending the course and must therefore make appropriate arrangements for staffing cover in light of this.

A final decision will be made by the LSCB manager in relation to whether charges will be applied.

Any cancellation charges remaining unpaid by any organisation later than one month following the issuing of the invoice may mean that no further applications from that organisation will be accepted until payment is received.

**Staff / Applicant Substitutions:** at whatever point they are made – will **not** be subject to a cancellation charge if another colleague attends the training on the date originally booked.

If you need to provide a substitute to attend in your place, you must first email e-mail lscb@rbkc.gov.uk or telephone 0208 753 5317 for approval by the LSCB Multi-Agency Training Team.

If you have any questions concerning these terms and conditions, please either call 077393 15875 or email laura.beard@rbkc.gov.uk.

5. Find the workshop you would like to attend and click ‘See Offerings’.

If ‘See offerings’ is not present, this either means that you cannot access the workshop, or it is fully booked. You can choose ‘Assign to Me’, but that is not the same as booking a place, that will simply make the workshop appear on your Landing Page (see 1. Above).
6. Registering on the offering.
The available dates will open underneath ‘see offerings’ and you will be able to scroll down and see the options.
When you see a date you would like, click ‘register now’.

7. Click confirm
The workshop you have registered for will now appear on your landing page and the word 'enrolled' will be next to it. You will also receive an automatic email confirming your booking.

If you can only see the word 'register now', you must still register using The 'register now' and then 'confirm' buttons.
Cancellations

Please note that cancellations made with less than 5 working days notice may be subject to an admin fee. It would be acceptable to have another member of staff fill in for your place with short notice. Please see the LSCB terms and conditions on the LSCB training website www.rbkc.gov.uk/lscb

1. To cancel a booking click on the small arrow next to ‘enrolled’ and then click on ‘withdraw’ from the drop down menu.
2. Click yes.

Please note that if someone else booked the workshop on your behalf, you will not be able to cancel yourself. In this case, please email lscb@rbc.gov.uk.

3. Click yes.
4. You will be asked to provide a reason for the cancellation. Click on the arrow to see the drop down menu.

5. Select the option that accurately reflects why you wish to cancel and click submit.

You have now cancelled the workshop and it will be removed from your landing page. You will receive an automatic email confirming your cancellation.
