LADO Referral Form

Please complete this form and return it to the relevant LADO inbox:
LADO@westminster.gov.uk or KCLADO.Enquiries@rbkc.gov.uk

This form is the initial method of contact with the Local Authority Designated Officer (LADO) if there is an allegation about a member of staff/volunteer.

Please complete this form with the current information you have at this time, prior to requesting a telephone consultation with the LADO. The Duty LADO will call you back on receiving the referral or at least within 24 working hours.

After a discussion with the referrer, a decision will be made as to whether LADO threshold is met, and guidance will be given about next steps.

All information will be kept confidential and secure by the LADO team.
The information may be shared with senior managers on a need to know basis.

Please complete as much of the form as you can and not delay the referral process due to missing information, any missing information can be collected later.

We would advise that you do not start an internal investigation until you have discussed the possible concerns/allegation with the LADO.

Whilst it will not be necessary to convene an Allegations against Staff and Volunteers (ASV) Meeting (LADO Allegations) on every case, every incident/concern of alleged harm or risk of harm to a child should be recorded on this form and reported to the Local Authority Designated Officer.

If a child/children are at risk of harm, please contact the relevant Children's Services Front Door (where the child lives). If a child is at risk of immediate harm, please contact the Police.
